PASTOR'S Corner

FAMILIARITY BREEDS CONTEMPLATION

But how could we not be afraid? A young mother giving birth in a stable. Shepherds seeing angels. We do not need to be afraid because these stories are so familiar. Most of us could tell them almost word for word from memory. They are like the stories our children insist we read to them night after night long after they know every word by heart. They are familiar not just because we hear them repeated every year at Christmas but because they are the stories of our daily preparations, our lifelong waiting, our fear, exhaustion, misery, and our hope and joy. Their very familiarity means we don't have to wonder what the outcome will be. We already know. We know that despite the mean circumstances into which Mary's Son was born, her Son transforms the darkness into light. Her Son brings rejoicing. Her Son brings peace. We know that, despite our exhaustion and our fear, peace awaits us, too.

LA FAMILIARIDAD ENGENDRA CONTEMPLACIÓN

¿Pero cómo no podríamos tener miedo? Una jovencita y madre dando a luz en un establo. Pastores viendo ángeles. No necesitamos tener miedo porque estas historias son conocidas y familiares. Muchos de nosotros podríamos contarlas de memoria, casi palabra por palabra. Son como las historias que nuestros hijos insisten les leamos cada noche aún cuando ya se conocen la historia de memoria. Esas historias son familiares no porque las escuchemos repetidamente cada año durante la Navidad sino porque son historias de nuestra preparación diaria, nuestra anhelada espera, nuestro miedo, cansancio, miseria y nuestra esperanza y alegría. Su misma familiaridad significa que no tenemos que preguntarnos lo que va a pasar. Ya lo sabemos. Sabemos que a pesar de las circunstancias del nacimiento de Jesús, hijo de María, él transforma la oscuridad en luz. Su Hijo trae alegría, paz. Sabemos que a pesar de nuestro cansancio y miedo, también la paz espera por nosotros.

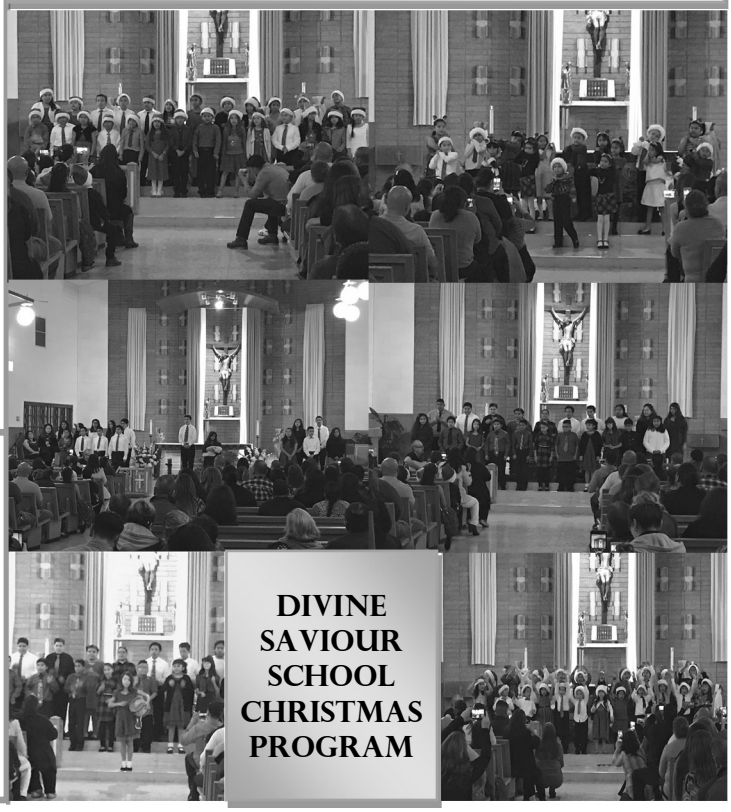
DIVINE SAVIOUR SCHOOL



DID YOU KNOW?

Prepare holiday babysitters thoroughly

The holidays come with lots of nights out for adults – office Christmas parties, last-minute trips to the mall for gifts, neighborhood gift exchanges, etc. – and you may need to call upon a babysitter to watch your kids for adults-only events. Think through the policies at your house that you will ask a sitter to follow. These could include basic childcare rules (for example: limits on television viewing, bedtime) as well as safety rules (for example: don't let the kids play with knives or matches). For a copy of the VIRTUS® article "Preventing Abuse When Selecting and Using a Babysitter," email jvienna@la-archdiocese.org or call 213-637-7227.
