The PASTOR'S Corner

From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.

De vez en cuando, los periódicos y las revistas publican, a modo de "relleno", diversas leyes que siguen en los libros pero que parecen ridículas en nuestra época. En una ciudad de California, es ilegal tener dos bañeras dentro de una casa. Cuando se pasó la ley era un lujo tener acceso al agua corriente, pero ahora que no lo es la ley parece ridícula. Sin embargo, el valor humano de proteger y preservar los recursos más valiosos sigue teniendo vigencia, esto se manifiesta en muchas leyes, que nos parecen muy acertadas, cuyo fin es proteger el medio ambiente. Sucede lo mismo con los preceptos religiosos. Lo que Jesús desdena hoy es la actitud de los demás respecto a los preceptos rituales, una actitud que se vuelve casi idólatra cuando se obedecen los preceptos por el mero hecho de obedecerlos. Lo que Jesús enseña es que el cumplimiento de los preceptos rituales externos sólo tiene valor cuando simboliza nuestra predisposición interior a cumplir la voluntad de Dios. Nuestras vidas deben obedecer el precepto supremo de Dios: amar a Dios por encima de todo y al prójimo igual que nos amamos a nosotros. La religión católica es rica en costumbres, tradiciones e incluso preceptos. Al seguir escuchando la voz de Cristo, siempre debemos examinar nuestro corazón y nuestras prácticas rituales para asegurarnos de que el amor a Dios y al prójimo se halle por encima de todo lo demás.

ST. ANN FIESTA

October 13—14, 2018

The Beginning Experience ministry, recognized by the Office of Family Life, facilitates the grief resolution process for those who have "lost a spouse" through separation, divorce, or death, thereby enabling them to again love themselves, others, and God.

Friday, September 14, through Sunday, September 16, at Holy Spirit Retreat Center in Encino.

The weekend helps a person move from the darkness of grief into the light of a "new beginning" with renewed hope. For more information (including cost) or weekend registration, please contact Peg Setti at 818-767-1007 or Maria Rojas (Spanish) at 310-365-0186

Saint Ann 8AM

Entrance: Glory and Praise to Our God

(R)Glory and praise to our God Who alone gives light to our days Many are the blessings He bears To those who trust in His ways In His wisdom He strengthens us like gold that's tested in fire. Though the power of sin prevails Our God is there to save. (R)

Every moment of every day Our God is waiting to save.

Always ready to seek the lost to answer those who pray. (R)

NEW ACCLAMATION: WHEN WE EAT THIS BREAD

When we eat this Bread and drink this Cup, We proclaim your Death, O Lord, Until you come again, Until you come again, We proclaim your Death, O Lord.

Communion: YOU ARE NEAR

Refrain: Yahweh, I know You are near, standing always at my side. You guard me from the foe. And You lead me in ways everlasting. 1 Lord, You have searched my heart, and You know when I sit and

when I stand.

Your hand is upon me protecting me from death, keeping me from harm.
[Refrain]

2 Where can I run from Your love? If I climb to the heavens You are there;

If I fly to the sunrise or sail beyond the sea, still I'd find You there.

[Refrain]

Stay With Me

Should my heart not be humble, should my eyes fail to see,
Should my feet sometimes stumble on the way, stay with me.
Like the lamb that in springtime wanders far from fold,
Comes the darkness and the frost, I get lost, I grow cold.

I grow cold, I grow weary, and I know I have sinned,
And I go seeking shelter and I cry in the wind,
And though I grope and I blunder and I kneel and I'm wrong,
Though the rose buckles under where I walk, walk along
Till I find to my wonder every task least to see,
Or that I can do is pray, stay with me Stay with me.

Safety tips for kids playing sports this school year

Sports seasons start early, even for young children, and while it's great that they're out getting exercise and learning new skills, safety is still a top priority. It's recommended that all children who are playing school sports have an annual physical, and relevant health information (allergies, conditions, etc.) should be shared with coaches. Parents should make sure their children have the right gear, and that it fits and works well. Children should stay well-hydrated, well-fed, and well-rested to keep up their energy and strength. Student athletes should be learning to be kind and fair, too, no matter the outcome of the game.

Consejos de seguridad para los niños que practican deportes este año escolar

Las temporadas deportivas comienzan temprano, incluso para los niños pequeños, y si bien es fantástico que estén haciendo ejercicio y aprendiendo nuevas habilidades, la seguridad sigue siendo una alta prioridad. Se recomienda que a todos los niños que practiquen deportes escolares se les haga un examen físico anual, y la información relevante de salud (alergias, condiciones, etc.) se debe compartir con los entrenadores. Los padres de familia deben asegurarse de que sus hijos tengan el equipo adecuado, y que calce y funcione bien. Los niños deben mantenerse bien hidratados, bien alimentados y bien descansados para mantener su energía y fuerza. Los estudiantes atletas deben aprender a ser amables y justos, sin importar el resultado del juego.

Necesitamos Cascarones de Huevo para la Fiesta. Pueden traerlos limpios a la Oficina Parroquial.
