**LAY DOWN MY LIFE**— In the Old Testament, God is described many times as the shepherd of the people of Israel. So when Jesus claims this image of God to describe himself, it is startling even to his disciples. In today's Gospel, he takes the image one step beyond the Old Testament: as the Good Shepherd, he is to "lay down his life." This phrase is stated, with slight variation, five times in today's short passage. Jesus is describing the meaning of his life and of his death. With firm roots in the story of Israel and their God, Jesus is now starting a new chapter. He is helping his disciples make sense of his death on the cross, and to describe how to follow this particular shepherd. When Jesus lays down his life, he is revealing the infinite love that he and the Father have for the flock. To follow Jesus, to be a part of Jesus' flock, means participating in that same sacrificial love.

22 de Abril 2018 — CUARTO DOMINGO DE PASCUA

I am the good shepherd,  
and I know mine and mine know me,  
just as the Father knows me and I know the Father;  
and I will lay down my life for the sheep.

John 10:14-15

### PASTOR'S CORNER DAR LA VIDA

En el Antiguo Testamento, muchas veces Dios es descrito como el pastor del pueblo de Israel. Así cuando Jesús invoca esta imagen de Dios para describirse así mismo, sorprende aún a sus propios discípulos. En el Evangelio de hoy, él toma esta imagen un paso adelante del Antiguo Testamento, como el Buen Pastor, él pastor "debe dar su vida". Esta frase se afirma, con algunas variaciones, cinco veces en el corto pasaje de hoy. Jesús está describiendo el significado de su vida y de su muerte. Con firmes raíces en la historia de Israel y su Dios, Jesús está ahora empezando un nuevo capítulo. Él está ayudando a sus discípulos a darle sentido a su muerte, él está revelando el infinito amor que él y el Padre tienen por su rebaño. Para seguir a Jesús, ser una parte del rebaño de Jesús, significa participar en el mismo sacrificio de amor.

#### **TREASURES FROM OUR TRADITION**

Most languages take the name for this fifty-day season from the Lord's Passover: Pasqua in Italian, Pâques in French, Paach in Dutch, Pascha in Greek and Russian. English has a much newer name, the name of a pagan goddess, Eoster. For centuries before Christianity took hold, in both Germany and Britain the spring equinox was dedicated to her and the concepts of fertility and rebirth. She was said to be a playful spirit, following the Sun King's chariot, and ending the reign of winter. She had a magical companion, a rabbit who hid eggs in the fields to coax plants and animals to rebirth. It was believed that Eoster once came across a bird with broken wings and saved it by turning it into a rabbit—an egg-laying rabbit at that! Although they were baptized, most people didn't take to the new Latin name (Pascha Domini) too easily, and kept calling the spring equinox by the old accustomed name. For good measure, they kept a pagan name for Christmas, too: Yule.
